SUBMISSION

Authors are invited to submit original, unpublished full research papers for presentation at NCITE 2010. The Conference Review Policy requires that each submitted paper will be peer-reviewed by at least two reviewers for inclusion in the conference program and CD-ROM proceedings. A review of all papers is undertaken by the members of the Paper Review Committee to determine the outstanding paper award. One author per paper is required to register and attend the conference to present the paper if accepted.

The full papers are due by **August 27, 2010**. Authors of accepted papers will be notified by **September 13, 2010** via e-mail. Final version of the paper and presentation slides are due on **October 4, 2010**. All manuscripts and slides must be submitted electronically, in PDF format and formatted using the ACM templates available at <http://www.acm.org/sigs/pubs/proceed/template.html>. A maximum of fifteen pages, including an abstract of up to 200 words will be allowed for each accepted paper in the proceeding.

Submit your manuscripts and slides (in PDF) through the OCS hosted at <http://ncite.psite.ph/>.

POSTERS

Researchers with limited research output are encouraged to submit a research poster. It is a large document meant to communicate your research in a short period of time. It is composed of a short title, list of authors (and their affiliations), an introduction, an overview of your methods, your results, an insightful discussion of results, and bibliography. The size of the poster shall be A0 (33.1 in × 46.8 in), landscape. The submission date for posters is the same as that of full papers.
